## 295 Audio description at the Edinburgh Festival, August 2019

For visitors to this year's Edinburgh Festival, ADA Scotland has compiled a handy list of the growing number of audio described events on offer, including

17 audio described performances across 12 different productions during the Edinburgh International Festival, 2 audio described performances plus touch tours of the Royal Edinburgh Military Tattoo, and several events with audio description at the Edinburgh Fringe Festival.

A PDF of the complete list is available as a separate attachment with this issue of *Note Pad*. Please email any queries to [adas@adascotland.com](mailto:adas@adascotland.com) or visit ADA Scotland's website for further information about its services:
